Dear Colleagues,

On behalf of the scientific committee, it gives us great pleasure to invite you to “11th SEHA International Paediatric Conference” that is planned to be held on 16-18 February, 2017 at Jumeirah Etihad Towers Hotel, Abu Dhabi, UAE.

SEHA Paediatric Conference is an international meeting developed specifically to gather world class scientists, renowned teaching faculty and thought leaders to encourage exchange of knowledge, experience and best practices in the arena of Paediatrics.

The program aims to discuss the latest evidence in the management and treatment of common problems in General Paediatrics, Endocrinology, Genetics & Metabolic, Gastroenterology, Pulmonology, Hematology, Infection, PICU, Cardiology, Neurology, Allergy, Immunology, Nephrology and Emergency.

The speakers are world-renowned paediatricians coming from the USA, UK, and Middle East. The event will give you opportunity to meet with international experts to discuss your challenging cases at these sessions.

SEHA Paediatric Forum anticipates more than 1000 participants around the region with thought provoking state of the art symposiums, keynote lectures, oral presentations, poster presentations and hands-on workshops. Updated new information alongside recent developments will be discussed in detail.

We believe the event will be of interest to General Paediatricians, Pediatric Subspecialists, Paediatric Trainees, Residents & Fellows, Family Physicians, General Practitioners, Emergency Medicine Physicians, Dietitians, Pharmacists, Specialist Nurses and Therapists.

The event will also provide the opportunity for networking for everybody and for future academic and clinical collaborations.

We look forward to welcoming you all in February 2017 in the magnificent city of Abu Dhabi.

This is an opportunity not to be missed!
