Dubai is the most populous city and emirate in the United Arab Emirates (UAE), and the second largest emirate by territorial size after the capital, Abu Dhabi and is one of the seven emirates that make up the country. Dubai recently won the bid for the World Expo 2020.

Dubai was rated as one of the best places to live in the Middle East by American global consulting firm Mercer. Dubai Creek played a vital role in the sustainment of life of the community in Dubai originally and was the setting point which caused the economic boom in Dubai. The Dubai Miracle Garden, a 72,000-square meter flower garden, opened in Dubai land. It is currently the world’s largest flower garden. It has 45 million flowers with re-use of waste water through drip irrigation.
