To Whom It May Concern

Greetings from Medical Education and Research Department, Dubai Health Authority.

This is to confirm that the application detailed below has been reviewed by the accreditation committee and has been granted the below given CPD Credits:

Program Title:	Practical Genetic Testing for clinical practitioners.
Program Start Date:	15/07/2023
Program End Date:	15/07/2023
CPD Organizer:	Middle East Molecular Biology Society- MEMBS FZE LLC
Program Venue:	Mohamad Bin Rashed Library
Total Credit points:	4
Accreditation Number :	DHA/MTS/ACC/23-1037/A

Please note:

- Issued CPD Certificates should state: "This Program is awarded (..) CPD Credit Points by Dubai Health Authority (Accreditation #). This certificate is not considered an approval for an academic certificate nor a privilege of practicing the trained skills (if any) without appropriate license issued by the Health Regulation Bodies"
- This accreditation number is valid only until 31 December 2023.
- A new form should be submitted for each training program. No repetitions allowed in one application.
- Repetition allowed only for life Support Courses.
- Compliance to the approved program, agenda, title, venue, trainers, dates, etc. is mandatory.
- CPD accreditation terms and conditions apply.

This letter has been issued without any liability or responsibility on the part of Dubai Health Authority. Many thanks for your contribution to continuing Professional Development.

Yours sincerely,

Marwa Hashim Malik

Head of Medical Training Section

Medical Education and Research Department
